EXTERNAL AUDITOR

A highly accomplished finance professional with a demonstrated history of over 3 years in the industry, specialized in driving financial efficiency while possessing a robust understanding of IFRS and IAS standards. As a Senior Auditor and Financial Analyst, I am highly skilled in delivering outstanding financial analysis, conducting thorough risk assessments, and ensuring meticulous compliance. My career is marked by a consistent track record of successfully leading intricate audit projects, identifying avenues for revenue optimization, and implementing cost-effective measures that significantly contribute to organizations' financial well-being. I possess expertise in financial reporting, precise forecasting, and strategic budgeting, all underpinned by a robust analytical mindset that fuels data-driven decision-making. My ability to forge strong relationships with cross-functional teams and stakeholders, coupled with my exceptional leadership and communication skills, sets me apart in the field.
