EXPERIENCE

Coral, Bristol, United Kingdom

January 2023 - November 2023

- Ensured stringent adherence to regulatory protocols, maintaining meticulous financial records with keen attention to detail.
- Led and coached a customer service team to excellence, fostering collaboration and respect among team members to elevate service standards.
- Managed daily financial operations with precision, showcasing reliability and organizational prowess in cash handling and inventory control.

Goodman Auto-Deals Private Limited, Delhi, India

November 2020 - December 2022

- Engineered comprehensive financial solutions for contracts and the proprietary label segment within the automotive dealership business, resulting in a 15% surge in contract profitability and facilitating 20% revenue growth.
- Governed financial operations for two smaller operational sites, managing a combined budget of \$1.5 million and upholding a 98.5% accuracy rate in P&L and Balance Sheet statements, ensuring financial stability and compliance.
- Collaborated on diverse ad hoc finance projects, delivering incisive analysis to key stakeholders, which led to a 25% reduction in operational costs, a 30% increase in ROI, and improved financial forecasting accuracy by 10%.

TK Maxx, Leeds, United Kingdom

September 2018 - October 2020

- Oversaw daily operations of all departments, ensuring smooth sales transactions and exceptional customer service.
- Managed merchandise sales, returns, and receiving coordination specifically for the jewelry department.
- Organized and maintained inventory levels for all departments to meet daily demands and optimize stock management.
