

Muhammad Saqib

ACCA Student

I believe that "team work and trust" is a key to success, Whether its about individual or team projects.

Having trained by two of the big names Pwc's Academy Middle East & Kaplan Professional Middle East throughout my ACCA Studies this has allowed me to enhance my communication skills and boosted my confidence.

To enhance my financial management skills, I am looking forward to pursue CFA & To boost my management skills, I am looking forward to pursue CMA.

I am in a search for a career centered around finance and management fields.
