Objective

Driven and dedicated Chartered Accountancy student currently completed first year of my articleship, looking to continue my articleship in UAE. Keen to enhance the academic base and hands-on experience acquired in the first year, I am eager to effectively contribute to a dynamic workplace while advancing my professional development and gaining exposure to international accounting standards.

Professional Experience

Articleship, Ayisha Luqman & Co LLP Sep 2023 – Jun 2024 | Kerala, India

- Assisting in tax audits
- Maintaining accounting records and assisting in bookkeeping tasks
- Assisting with tax compliance activities, such as preparing tax returns and filing tax forms
- Ensuring compliance with regulatory requirements, such as the Companies Act and Income Tax Act
- Interacting with clients to understand their business processes and address concerns.
- Continuous professional development through training sessions and workshops.
- Documenting work performed, findings, and conclusions reached during assignments.
